ClearOne®

ClearOne Media Carts - The Perfect Complement To Your Conferencing Equipment

ClearOne is dedicated to helping you create the optimal environment for your meetings. As part of this commitment, we've developed a comprehensive line of media carts. Your media cart plays a key role in making your equipment easy to access and use, as well as providing the level of mobility you need. A great piece of conferencing furniture should not only make it easier and more convenient to conference, it should transform your system into the showcase of your meeting room. Each piece in our media cart collection is designed to be highly durable and functional while also providing the style and elegance you need for even the most sophisticated settings.

TITAN SERIES

TITAN™ MONITOR CARTS

Titan™ Monitor Carts blend heavy-duty metal construction and professional styling in a durable, scratch-resistant cart. Reinforced for extreme balance and smooth movement, Titan Monitor Carts are built to handle rigorous use and withstand wear and tear. They are tall enough for easy monitor viewing and provide a professional depth, 9-space rack on the inside to accommodate multiple equipment pieces. Removable vented back panel with cable-management duct facilitates easy installation.

911-300-001	Titan Single Monitor Cart, Fits up to 36" monitor
-------------	---

TITAN PLASMA CARTS

Titan Plasma cart is available in single or dual configurations and is reinforced for extreme balance and smooth movement, making it easy to transport from room to room. The Titan Single Plasma Cart includes a set-top codec shelf. The Titan Dual Plasma Cart includes a set-top codec shelf and a center PTZ camera mount. The Titan Articulating Arm Dual Plasma Cart includes a unique Articulating Plasma Mounting System which folds up for easy transportation. All Titan Plasma carts provide a professional depth, 9-space rack on the inside to accommodate multiple equipment pieces and are built to handle rigorous use and withstand wear and tear.

911-300-101	Titan Single Plasma Cart, Fits one 42" - 63" Plasma Screen *requires Chief PST 2xxx Wall Mount per plasma monitor mounted to cart (not included)
911-300-110	Titan Dual Plasma Cart, Fits up to two 42" - 50" Plasma Screens *requires Chief PST 2xxx Wall Mount per plasma monitor mounted to cart (not included)
911-300-025	Titan Articulating Arm Dual Plasma Cart, fits up to two 42" - 50" plasma screens

TRADITIONAL SERIES

DST MONITOR CART

The DST Monitor Cart provides superior strength and mobility at an unbelievable price. The rounded shape and black melamine finish gives it a sleek appearance that blends with any surroundings. Precision ball-bearing casters allow smooth transitions and ease of movement from room to room. With more than 22" of depth in the interior cabinet, it features plenty of space for peripheral equipment.

911-171-271 Last Buy	38" Monitor Cart, Wood cart, fits any monitor/receiver up to a 36" diag., single quantity
--------------------------------	---

SET-TOP VC CARTS

The Set-Top VC Carts are specifically designed to meet the needs of set-top videoconferencing systems. The shallow depth gives this cart a sleek appearance and a small footprint that is welcome everywhere from the training room to the boardroom. With still more than 20" of depth in the interior cabinet, there is room for your VCR and other peripheral equipment. Our VC carts are designed to accommodate most monitors and are ideal for the wider Sony WEGA FS series monitors.

911-171-012 Last Buy	27" Monitor Cart, Curved front with Grommet back, Fits 27" and WEGA 24" Monitors
911-171-013 Last Buy	32" Monitor Cart, Curved front with Grommet back, Fits 32" and WEGA 27" Monitors
911-171-014	35" Monitor Cart, Curved front with Grommet back, Fits 35/36" and WEGA 32" Monitors
911-171-015 Last Buy	38" Monitor Cart, Curved front with Grommet back, Fits WEGA 36" Monitor

STANDARD VC CARTS

ClearOne Standard VC Carts are built for maximum strength, durability, and versatility. These vented carts are specifically designed to hold monitors and larger equipment. They have a deeper equipment enclosure to allow space for legacy codecs or tower systems and easier cabling access. When you add the rack-rail option (911-171-308), this cart is ideal for rack-mounted equipment.

911-171-040 Last Buy	27" Monitor Cart, vented back panel, Fits 27" and WEGA 24" Monitors
911-171-041 Last Buy	32" Monitor Cart, vented back panel, Fits 32" and WEGA 27" Monitors
911-171-042	35" Monitor Cart, vented back panel, Fits 35/36" and WEGA 32" Monitors
911-171-043 Last Buy	38" Monitor Cart, vented back panel, Fits WEGA 36" Monitor

HIGHBOY AV CARTS

The Highboy AV Cart is perfect for front of the room applications. With a full 42" height, monitors on these carts are easy to see. They feature a fixed peripheral shelf to house a VCR or center-channel speaker, over 26" of interior cabinet height and a depth of 23". Add the rack-rail option (911-171-308) to easily accommodate rack-mounted equipment.

911-171-060	Highboy AV Cart For up to 32" monitor, 42" tall, Fixed peripheral shelf
911-171-062 Last Buy	Highboy AV Cart For up to 36" WEGA monitor, 38" wide, 42" tall, Fixed peripheral shelf

AV CARTS

ClearOne AV Carts integrate design, function, strength and affordability. The AV Carts feature a fixed peripheral shelf, ideal for a VCR or speaker, and an internal adjustable shelf. With a smaller footprint than standard carts, our AV Carts are all 33" high to allow easy viewing over most industry standard 30" office furniture.

911-171-071 Last Buy	27" Monitor Cart Fixed peripheral shelf, Grommet back
911-171-072 Last Buy	32" Monitor Cart Fixed peripheral shelf, Grommet back, Fits Normal 32" and WEGA 27"
911-171-073	35" Monitor Cart Fixed peripheral shelf, Grommet back, Fits Normal 35/36" and WEGA 32"
911-171-074 Last Buy	38" Monitor Cart Fixed peripheral shelf, Grommet back, Fits WEGA 36" Monitor

DUAL MONITOR CARTS

Dual Monitor Carts are the carts of choice for moving large monitors and large quantities of equipment. They feature three open peripheral shelves for VCR, speaker, and DVD player and three bays that are ideal for rack-mounted equipment when you add the rack-rail option (911-171-308) to each bay. Rack capacities are listed below. All of these carts have removable, vented back panels and 3" round openings between bays for easy equipment connection.

911-171-137 Last Buy	Fits dual 35" standard or 32" WEGA monitors 27 optional rack units (3 bays of 9)
911-171-139 Last Buy	Fits dual 35" standard or 32" WEGA monitors 42 optional rack units (3 bays of 14)

DUAL-TOP HYBRID MONITOR CARTS

The economical Dual-Top Hybrid Monitor Cart features a wood base and a metal channel reinforced wood top for added strength. It is ideal for transporting dual monitors and features an internal shelf for peripheral equipment.

911-171-128	Dual-Top Hybrid for two 32" WEGA monitors or two 36" standard monitors
911-171-129 Last Buy	Dual-Top Hybrid for two 36" WEGA monitors or two 36" standard monitors

PLASMA CARTS

Plasma Carts are designed to table-top mount a 42" plasma, or a single monitor and a document camera. The 29" deep models are ideal for rack-mounted equipment when you add dual, 10-space rack bays.

911-171-002	Wood Series Single Plasma Cart - with Rack Rails
911-171-091	50" Plasma Monitor Cart, 24" deep, Grommet back, peripheral shelf

DOCUMENT CAMERA CART

This cart is shorter and has a smaller footprint to take up less space while still providing all the room you need for your document camera, accessories and presentation materials. This cart provides easy access to your document camera, enabling you to change documents and share them with a remote videoconferencing site without leaving your seat. It also features an adjustable shelf. This cart can be used with a wide variety of electronic peripheral equipment.

911-171-120	Standard Document Camera Cart, Grommet back
-------------	---

Last Buy

RACK CARTS

These carts come standard with front rack rail, a vented removable back to allow for easy cabling, and a plexi-glass front door. Locks can be added using additional part number 911-171-305 when necessary.

911-171-200	AV Rack Cart 12 space rack unit, 20" internal depth
911-171-201	AV Rack Cart 16 space rack unit, 20" internal depth
911-171-202	AV Rack Cart 20 space rack unit, 20" internal depth

ACCESSORIES

WALL MOUNT FOR SET-TOP/PTZ CAMERA SHELF KIT

The Set-Top and PTZ Camera Shelf Kits are a discrete way to wall mount your videoconferencing equipment. Both come with a black powder coated finish and are made from heavy-duty aluminum alloy. Included with the kits are wiring knockouts that allow for wiring through the back or bottom of the shelf.

911-171-299	Wall Mount Shelf for a pan/tilt/zoom camera
911-171-300	Wall Mount Shelf for videoconferencing set-top codec

PLASMA SET-TOP/PTZ CAMERA MOUNTING KIT

The Plasma Set-Top and PTZ Camera Mounting Kit include telescoping extension tubes that allow for adjustment between 42" and 60". Cables can be run through hollow extension tubes and either a Set-Top Shelf Kit or PTZ Camera Shelf kit is included for mounting video conferencing equipment atop the extension arm.

911-171-298	Pan/Tilt/Zoom Camera Mounting Kit, for mounting over to top of 42-60" Plasma screens, includes telescoping pole and shelf
911-171-302	Video Conf. Set-Top Mounting Kit, for mounting over to top of 42-60" Plasma screens, includes telescoping pole and shelf options These items are available to customize our standard line of furniture to fit your needs quickly and economically.

OPTIONS

These items are available to customers our standard line furniture to fit your needs quickly and economically.

911-171-305	Locks for smoked Plexiglas doors
911-171-306	Extra Adjustable Internal shelf
Last Buy	
911-171-308	Rack Rails - 25"
911-171-317	Rack Rails - 17"
850-300-110	Dual Plasma Kit (includes horizontal support)

FINISHES

Our selection of fine, quality meeting room furniture is designed and engineered to provide lasting value. Our standard line of furniture is built with laminate and melamine to resist scratching and damage from everyday use. ClearOne's furniture comes in Standard Matte Black.
