

Network Media Streaming System Promotion for Upgrading or Replacing 3rd-Party Products

Upgrade or Replace existing SVSI/Crestron/any streaming & distribution system of any size with ClearOne VIEW®/VIEW Pro Network Media Streaming System and receive an extra **5% discount from your current ClearOne price.**

This promotion is designed to provide better margins for dealers by replacing competitor systems with ClearOne’s quality streaming systems - the most economical, versatile and easy to install, easy to use, and easy to scale streaming and distribution systems in the market today.

For all types of AV signal distribution installations, ClearOne VIEW® Pro system delivers guaranteed performance and offers various types of Encoders & Decoders that support 1080p60 resolution.

- Amazing ultra-high quality video with 4:4:4 color space, H.264 codec supported
- Highly scalable sources and destinations
- Video, Audio, Control signals distributed over Ethernet network
- Streaming system with lowest end-to-end latency and adjustable bandwidth
- Integration with 3rd-party devices using RTSP/UDP streams

ClearOne partners now have full, one-stop sourcing, support, and guaranteed performance for their complete, installed streaming and distribution systems.

Take advantage of trade-up opportunities:

Terms & Conditions

- + Offer valid through Dec 31, 2018
- + ClearOne reserves the right to review and approve all submissions and modify or discontinue this promotion at any time
- + This special discount cannot be claimed by both the end-user and the VAR
- + Sales opportunities that have received special discount from ClearOne are not eligible to participate
- + Proof of existing 3rd-party streaming and distribution system (which is replaced/upgraded by this program) is required
- + Pictures of the existing units, site-visits by regional sales manager, letter from end-customer may be considered as proof
- + This program is not valid on leased, returned, refurbished or used products, or products purchased through internet auctions or any other unauthorized channels
- + Requests should be submitted within 30 days from the date of invoice. Discount may be applied prior to invoice, if proof is accepted or submitted within 30 days of invoice
- + Applicable in the US and Canada
- + Questions: sales@clearone.com

Proof of Upgrade/Replace Certification

In order to show adequate proof of upgrade/replace of the 3rd-party streaming and distribution systems, you must include one or all of the following as needed:

- 1) Photos of the existing units taken at the actual site
- 2) A letter from ClearOne's Regional Sales Manager/National Sales Manager if site visit is made and approved for upgrade/replace
- 3) A letter from end-customer confirming the upgrade/replace

I the undersigned, hereby certify that I understood the program and followed the guidelines, terms & conditions. I also declare that the information provided for this claim are true to the best of my knowledge.
