**ClearOne**® Aura™

## Ceiling Microphone

### Aura Professional Home Office Solution

Easily installed and affordable, featuring three wide-range microphones mounted together into a single unit array. Provides the rich sound of three individual unidirectional microphones while maintaining full 360-degree coverage.

Dramatically enhances the audio and video experience for any **cloud-based video collaboration** application for your **professional home office**

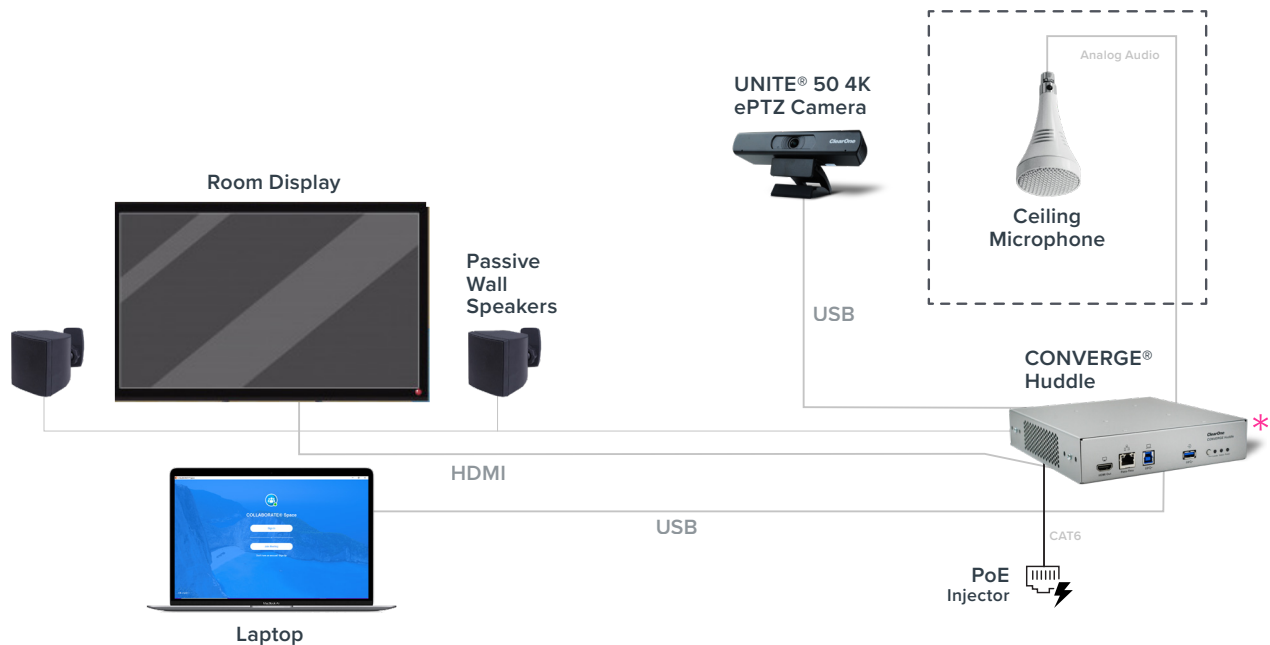

## Highlights

- ✦ Easily installed and affordable popular tri-element ceiling microphone array. Gets microphones off the table, while maintaining speech quality and intelligibility.
- ✦ Enhances any conferencing application which demands high-quality audio, delivering exceptional audio quality.
- ✦ Provides rich sound with three wide-range mics mounted together into a single-unit array, maintaining 360-degree coverage from 15 to up to 20 ft.
- ✦ Superb audio quality with wide bandwidth, high SNR, and 100% shielding against RF interference allows use for multiple applications.
- ✦ Perfect match for the CONVERGE® Huddle DSP.
- ✦ Includes drop down cables for 12" and 24" to match various ceiling heights.
- ✦ Sleek, unobtrusive design (3.3" x 1.5") comes in White or Black color options.
- ✦ FREE COLLABORATE® Space lifetime subscription — ClearOne's high quality, award winning cloud-based video collaboration application.

## Aura Professional Home Office Application

Complete your **Ceiling Microphone** setup by adding other ClearOne Aura products

\* Small enough to easily mount behind the room display
