

Conference Controller

A highly intuitive 10-inch, touch screen device designed for ClearOne's COLLABORATE® Live video conferencing system and CONVERGE Pro 2 audio conferencing system – a perfect addition to any meeting room.

Complete intuitive control

Modern user interface makes controlling conferencing functions as intuitive and simple as familiar mobile and tablet devices.

- > Modern user interface makes controlling conferencing functions as intuitive and simple as familiar mobile and tablet devices.
- > Conveniently connect through wired Ethernet or Wi-Fi
- > Power with the included power cord or through standard Power Over Ethernet (PoE) for clutter-free cabling.
- > Easy contact management with search function.
- > 10.1 inch display with 1280x800 capacitive touch-screen resolution.
- > The slim and modern industrial design blends well with modern conference room aesthetics.
- > Integrated base with attachment point makes it easy to secure on a conference room table.
